Week 10: Believe God can Do Immeasurably More

## Ephesians 3:20-21

- “Now to him who is able...”
  - God is the one who has the ability to do great things, not us. Alone we are helpless to change the world around us and ourselves, but with God all things are possible
    - *Why do you think we naturally make our effectiveness a reflection of us rather than God?*
    - *Write out miracles that God has done in your life already, take your time and think through your conversion story, answered prayers, victories, impossible situations He has worked out.*
- “...to do immeasurably more than all we ask or imagine...”
  - Immeasurably more means beyond all ability to measure, incomprehensibly more than our greatest and wildest dreams or desires.
    - Take a moment and dream the BIGGEST, CRAZIEST dream you can imagine that God could accomplish in Lehigh....now realize that God can do immeasurably more than that.
      - *How does that make you feel?*
      - *What does that do to your perspective of the challenges you face?*
      - *What changes in your thinking about Lehigh if you place it in the perspective of God’s IMMEASURABLE power?*
- “...according to his power that is at work within us...”
  - All of that incomprehensible power is working through YOU. Not just through the evangelist, not just through elders, not just through the people around you, not just through prayer, but through you. All of God’s power to change the world is at rest waiting within you to take action in faith.
    - *What would change about the way you share your faith tomorrow if you could visibly see God’s power flowing through you?*
    - *What would change about your day tomorrow if Jesus walked physically with you all day tomorrow?*
    - *Why has God placed His power in you?*
    - *What does God want to do with that power?*

All of God’s unfathomable power to change the world rests within you, is at work within you. Both for the salvation of those around you and for the sanctification and change of what’s inside you. That power remains at rest until we choose to believe that God can use us, until we choose to believe that God is with us.

Application- This week, live as if Jesus were physically walking next to you each day. Meditate on the ability and desire of God to do IMMEASURABLY more than even our wildest dreams.
