

Mission Mindset Quiet Time Series

March – The Faith for the Mission

Week 13: Believe that nothing is too hard for God

Jeremiah 32:27

- *What is too hard for God? The answer seems obvious....but why do we still doubt?*
- *What are things that you doubt God can or will do in your life right now? With this planting?*
- *Why is it that God can make this claim?*
- *Take a moment to reflect and meditate on that in light of the areas you struggle with doubting him in*

Mark 9:20-23

- This man speaks to Jesus as if he may or may not be able to help his child
- Jesus responds by challenging this mans heart....Jesus does not like when we doubt his power. He commands us many times in scripture to believe.
- He makes a promise to us here that anything is possible for one who believes.
 - *Is your faith like this mans? Do you doubt the ability if God?*
 - *If God answered your prayers based only on your faith, how many of your prayers would be answered?*
 - *Are your prayers based on building Gods kingdom, or your kingdom?*
 - *How do we increase our faith?*

Mark 9:25-29

- The disciples were not able to drive out the evil spirit. Jesus tells us that this evil spirit could only be driven out by prayer and fasting.
 - *Why do you think some things can only be accomplished through prayer and fasting?*
 - *What changes about a situation when we fast about it?*
 - *In what area if your life can you use more prayer and fasting?*
 - *How can God use you in Lehigh Valley to give to his church and reach the communities as a result of your prayer and fasting?*

Application: This week, spend additional time praying and fasting for God to clarify what areas seem “impossible” for God to accomplish in your mind. Talk about those “impossible” areas with another member of the team and find examples of scripture that show God is greater than that challenge.
